

Translation of the German issue (August 2016)

Replaces DVS 2202-1, table 5 (07-2006)

Technical Code DVS 2202 supplement 5

Assessment of defects in joints between thermoplastics on piping parts and panels - Hot-gas extrusion welding (WE)

DVS, Technical Committee, Working Group "Joining of Plastics"

This publication has been drawn up by a group of experienced specialists working in an honorary capacity and its consideration as an important source of information is recommended. The user should always check to what extent the contents are applicable to his particular case and whether the version on hand is still valid. No liability can be accepted by the Deutscher Verband für Schweißen und verwandte Verfahren e.V., and those participating in the drawing up of the document.
